AMEND Senate Bill No. 621*

House Bill No. 1525

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. The select oversight committee on education is directed to study the authorization of cyber-based charter schools in Tennessee. The office of research and education accountability shall provide to the committee a written overview of cyber-based charter schools operated in other states, including any research available as to effectiveness, cost efficiency, accountability, academic achievement, and other research available concerning such charter schools.

SECTION 2. The select oversight committee on education shall meet on this issue only when conducting other required business of the committee or general assembly. The select oversight committee on education shall report its findings to the members of the education committees of the senate and the house of representatives by January 15, 2010.

SECTION 3. This act shall take effect upon becoming a law, the public welfare requiring it.
